2 YEARS PARTS AND
LABOUR FULL WARRANTY

ANTRONIX

SKATE SHARPENING CHART

+ = POPULARITY

MORE BITE OR MORE GLIDE ?

WHEN DECIDING ON YOU HOLLOW, YOU SHOULD CONSIDER THE TRADE OFF, THE MORE BITE YOU WANT, THE LESS GLIDE YOU'LL HAVE. THE MORE GLIDE YOU WANT, THE LESS BITE YOU'LL HAVE. TYPACALLY MOST SHOPS WILL USE A STANDARD 1/2 HOLLOW. WE RECOMMEND CHOOSING FROM 1/2 OR 5/8 IF YOU ARE UNSURE.

ASK YOU LOCAL PRO SHOP WHAT'S FITS BEST FOR YOU.
